

ASPIRE

Connect Your Students to More Than a Job, Connect Them to a Future

Students Transitioning to Employment Program (STEP) combines career exploration, workplace preparation, and meaningful paid work experience. The program is offered at no cost to students in Burlington and Camden County, ages 16-21, who have a disability. Eligibility is determined by an individual assessment.

Gain Paid Work Experience

Discover Career Possibilities

Develop Self-Advocacy Skills

Build Skills for Work

Explore Options After High School

Connect an eligible student with STEP and open the door to career exploration and paid work experience.
